Vehicle Service Contract

The one feature no vehicle
should be without:
Peace of Mind.

Motorist Assistance Plan: A wise investment for every vehicle.

Today's automobiles are amazing machines—complex engineering marvels that surround us with safety, comfort, and convenience.

But as vehicles become more sophisticated, every type of repair and maintenance becomes more challenging—and expensive. Motorists are keeping vehicles longer and driving them further—often well beyond the limits of the factory warranty.

A Vehicle Service Contract is one of the best investments you can make. It protects you from unexpected repair costs and gives you peace of mind, knowing that you are covered against the expense, inconvenience, and danger of a breakdown.

Don't take the risk.
Make sure you're
protected with a MAP[®]
